Old Lock

New Lock

Unlocking Remote (Optional)

Within the signal reception range, you can unlock the door with just one click. No need to open the door in person, which is convenient and fast.

High Strength Waterproof, Sun & Rainproof

Engineering sealing treatment effectively prevents rain/cold/high temperature interference and better protects the service life of the fingerprint head.

Card

Unlock door with card or key tag with a simple tap

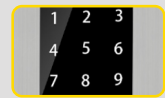

Key

Using key underneath to unlock door

Password

Keypad will light up when you touch the surface

Fingerprint

Easy unlocking method for elderly and children.

Emergency USB Port

Using USB port and supply power to u

Security lockout

Key pad or fingerprint access is disable after several incorrect entries to ensure your property is always secure.

Temper alert

The mortise will sound an alarm if it is being pried from the door to alert and deter potential tampering attempts.

Masking security code

Heighten security and throw off onlookers by entering random digits before your actual PIN code.

Auto relock

The mortise automatically relocks once the door is shut to give you a greater peace of mind.

Share access

Create entry codes and virtual keys to share with people your trust.

Control from everywhere

Lock, unlock, share access, see who comes and goes & more using your app from anywhere.

Emergency jump-start

Easily jump-start the mortise with a power bank as an emergency measure if batteries are drained.

Volume control

Volume is adjustable to your preference. Select from low, medium and high.
